MEMORANDUM FOR THE CHAIRMAN, INTELLIGENCE PRODUCERS COUNCIL
ATTENTION: MR. RICHARD J. KERR

SUBJECT: Continued DIA Representation on the Intelligence Producers Council
 Staff

Thank you for your letter of 16 May 1984, concerning DIA's continued representation on IPC staff and suggesting [redacted] as a possible replacement for [redacted]. In response to John McMahon's request to LTG Williams, the Agency has decided to nominate [redacted] as the replacement for [redacted]. [redacted] possesses an excellent analytical and collection background and the ability to get things done despite the obstacles. From November 1982 through August 1983, he was assigned to the Congressional Fellowship Program and did an excellent job while assigned to Senator Tsongas as an advisor for various intelligence related matters as well as routine congressional staff work. I am certain that [redacted] will be an excellent asset to the IPC Staff. [redacted] is equally qualified and would also have made a significant contribution as a staff member on the IPC. Unfortunately, DIA at this time, is not in a position to nominate her for a duty tour with the IPC.
